

AB PROVINCIAL

ELECTION CHALLENGE

The Provincial Election has officially been called. The Lord willing, Albertans will vote on Monday, May 29. We encourage you to be involved in the political process.

You can also help a candidate. So, this is our challenge to you: Commit 10 hours to volunteer for a candidate! This doesn't have to be intimidating at all. You can help with door knocking, hand out literature, or make phone calls. Please look to the right for more ways to help out and track your volunteer time.
